

Thinking of undertaking an apprenticeship? There's never been a better time to start preparing!

What is an apprenticeship?

The term '[Australian Apprenticeships](#)' covers both apprenticeships and traineeships. They start when an employer creates a job and decides to use this way of employing and training staff.

Australian Apprenticeships:

- offer you the opportunity to study and earn an income while undertaking a qualification.
- can be done by anyone of working age.
- give you the chance to learn new skills while getting paid in more than 500 careers and jobs.
- can be done full-time, part-time or while you're at school.

Where can I find more information?

- [Australian Apprenticeships Pathways](#) has a multitude of resources to research your career options.
- Practise the industry-specific [aptitude quizzes](#).
