## Finance, Audit and Risk Management Committee

Subcommittee of the  
St Michael's College Board - Adelaide

### **About the College:**

St Michael's College is a leading co-educational independent Catholic School comprised of two campuses – the Primary Campus at Beverley caters for Reception to Year 6 students and the Secondary Campus at Henley Beach from Years 7-12.

The College is committed to the Lasallian Vision of Education and to engaging, challenging and supporting students to be the best they can be.

The St Michael's College community is comprised of a diverse range of cultural, social and religious backgrounds, all aspiring to a common purpose – for young people to flourish and be the best they can be. Our staff, students and families work together to create an inclusive and respectful community where each individual is known, valued and cared for.

The St Michael's College student will witness personal growth through engagement, opportunity and recognition. They will be a part of a positive learning culture that is authentic, challenging and supportive, no matter where they come from or what they aspire to. A sincere commitment to the philosophy of Catholic Education is required from all persons who work or volunteer at the College.

### **Expressions of Interest:**

Reporting to the St Michael's College Board Adelaide, expressions of interest from suitably qualified and experienced candidates are sought in the areas of Finance and Risk Management.

### **About the role:**

The Finance, Audit and Risk Management Committee is a sub-committee established by the Board to assist the Board in managing the financial, and audit operations, viability and compliance with risk management policies and controls of St Michael's College Adelaide. It provides information and advice as requested or required in order for the Board to discharge its fiduciary duties in relation to the financial operation, compliance and viability of the College. The Committee meets on a monthly basis and provides recommendations to the College Board.

### **About You:**

You are a community oriented individual and hold relevant education or business qualifications or experience. You are a strategic thinker and excellent communicator with the ability to liaise effectively with College Board Members and members of the Executive Team, and contribute to the ongoing success of the College.
