Tuition Fees

The annual tuition fee is a compulsory fee based on your child's/children's year level. Fees are invoiced in full at the beginning of the year and can be paid in instalments. The tuition fees cover most educational materials and resources for the year, including costs for sports teams and compulsory year-level excursions.

As part of the Integrated Learning Technology Program, students are provided with an electronic device: an iPad for Reception to Year 6 and a laptop for Years 7 to 12. Please refer to the College website for further details.

Year 10 Tuition Fee

Year 10 is part of the Senior Secondary structure; however, the Year 10 Tuition fee is currently in the Middle School fee structure band. The Year 10 Tuition fee will be increased over two years, from 2027 and 2028, to align with the Year 11-12 tuition fee. The Senior Secondary structure introduces timetable complexities, increased elective options, and reduced class sizes, which increases costs.

Building Fund Levy

The College is proud of its facilities, which are enhanced with parents' significant assistance through contributions to the Building Fund. The levy is a non-compulsory annual contribution charged on a per-family basis. It allows for the continued upgrade, maintenance and improvement of the facilities of both the Primary and Secondary Campus.

The Building Fund Levy is tax-deductible.

Payment of Fees

Fees are invoiced at the start of Term 1, and full payment is required by the following methods:

- Annually, within 30 days of the invoice date, which attracts a 3% discount provided the Building Fund Levy is paid; or

Parents/Caregivers who do not wish or are not in a position to pay fees in full must set up a payment plan using the College payment plan provider, FACTS.

Payment plans are spread over 10 months, from February to November. Payment options are:

- Quarterly (4 payments due February - November)

- Fortnightly (20 payments due February - November)

FACTS Information Sheet

The College partners with FACTS Management Australia to provide a self-service portal for all parents/caregivers to manage and pay all school fees and charges. FACTS is an authorised provider within the financial services sector and complies with the industry's highest data and transaction security (PCI-DSS Level 1) standards.

Parents/caregivers will receive information from FACTS Management that includes instructions on creating an account and setting up a payment plan. Once you receive the email from FACTS, please ensure you register and nominate your preferred payment schedule eg quarterly, monthly, fortnightly, weekly.

FACTS direct debit arrangements will then automatically roll over from year to year. The college will communicate with parents/caregivers about their adjusted payment amounts within a timely manner following the commencement of each school year.

If you need assistance with the FACTS system registration process or fee payment, please contact the FACTS Customer Service team directly at 1300 322 871 between 9:00 a.m. and 5:00 p.m. (AEST) Monday to Friday or the College Fees Team 8150 2324 or by email at fees@smc.sa.edu.au

University Extension Program

The cost of undertaking the Year 12 University Extension Program varies between universities. The College will generally contribute 50% of tuition costs. For further information, refer to the University Year 12 Extension Programs Policy.

Vocational Education and Training (VET) Fees

The cost of VET courses varies greatly. However, the College will generally contribute 50% of all training fees, with parents covering the remaining 50%. VET Fees will be invoiced separately and are payable within 14 days. For further information, refer to the VET Policy and Guidelines.

Enrolment Application Fees

A \$95.00 fee is payable upon submitting each online enrolment application. A fee of \$500.00 is payable upon accepting an offer of enrolment, with \$400 being credited to the student's tuition fee on commencement. Both enrolment application and enrolment acceptance fees are strictly non-refundable.

Family Discount

When a family has two or more children attending the College at the same time, the following family discount is applied:

- 12% discount on the tuition fee for the second child.
- 22% discount on the tuition fee for the third child.
- No tuition fee is charged for the fourth and subsequent child/children whilst all children concurrently attend St Michael's College.

When determining whether a family will receive the Family Discount, circumstances such as whether the children are all enrolled under the same party's name or if a family member can demonstrate full financial responsibility for the children's school fees will be considered.

School Card Discount

A 50% Tuition Fee discount is provided to families who qualify for the Department for Education (DfE) School Card Scheme. It is granted to applicants according to guidelines set by DfE and must be applied for annually.

Families who may qualify for the School Card discount should complete Form A – Income Audit or Form B – Hardship/Change of Circumstances/Self-Employed.

We recommend that families submit School Card applications online via the DfE website. Search "*School Card Scheme*" from a web browser. Please note that applications for the 2026 school year will not be open until mid to late January 2026.

Families opting to apply using a hardcopy form may download the form from the DfE website or contact the College Fees Department at 8150 2324. Completed School Card Form A forms must be provided to the College Fees Department before 31 January 2026.

Families applying for School Card using Form B must submit their application online or in hardcopy directly to DfE.

The College will process the School Card discount when DfE confirms eligibility.

Early Payment Discount

Families who pay the annual Tuition Fee and Building Fund Levy in full by the due date are entitled to an early payment discount of 3%.

Part-year enrolments are eligible for the discount if the account is paid in full within 30 days of the tuition fee invoice date.

Split Family Accounts

Accounts will not be split unless a Court Order specifies this requirement. Parents requesting accounts to be split must provide a copy of the Court Order. It is the legal responsibility of each signatory on the Enrolment Contract to pay all tuition fees and parents must make their own arrangements regarding account payment.

If both parents/caregivers have signed the Enrolment Contract, a party is not able to 'remove' themselves from the Enrolment Contract without the College and other signatory's consent. Accordingly, unless the College agrees, the legal liability for the payment of the fees remains in accordance with the Enrolment Contract. Parents/Caregivers of the student, remain jointly and severally liable for the payment of all school fees and charges, and the College will not set up a split account to reflect any private arrangement between the parties.

Where there is a relationship breakdown, St Michael's College will not be a party to any determination of the Family Court. Parties to the Enrolment Contract will be pursued jointly and severally for payment of outstanding fees and charges.

Fee Remission for Families in Financial Difficulties

Families experiencing financial difficulties, including families whose only income is Centrelink payments, should contact the College Fees Department to discuss their financial circumstances.

The following documents are required to assess fee remissions:

- Application for Special Financial Consideration form.
- Proof of income – Copies of Full Tax return.
- Copies of Centrelink documents.
- Proof of mortgage/rent repayments.

Fee remission only applies to the current year and is provided on a case-by-case basis.

Withdrawal/Late Commencement

Parents/Caregivers must provide at least one term's written notice to conclude enrolments in Terms 1, 2 and 3. Notice of withdrawal must be in writing to the Principal or Registrar. Verbal notification to a staff member other than the Principal or Registrar is not considered due notice. Additionally, where there are two parent/caregiver signatories, both parties must provide written notice to conclude an enrolment. Should less than one term's written notice to conclude enrolments prior to the completion of Term 3 be provided, enrolling parties will remain liable to pay the tuition fees and other associated costs for the following term.

If parents/caregivers wish to terminate a student's enrolment for the following school year, notice of a student's withdrawal must be given in writing to the Principal or Registrar prior to Week 4 of Term 4. Should such notice not be provided within that time frame, enrolling parties will remain liable to pay tuition fees and other associated costs for Term 1 of the following school year.

A pro-rata portion of the relevant fees will be charged (or rebated) if students commence or finish their studies partway through a term (although if insufficient notice of such withdrawal is provided, then the above-mentioned charges will be applied). However, in any event, no rebate will apply for students leaving after starting Term 4, regardless of whether one month's written notice has been provided.

Fees must still be paid when a student is absent from school for any length of time, such as for an overseas trip, holiday, or sickness.

Overdue Accounts and Late Payment Fee

The College reserves the right to pass overdue accounts to debt collection agencies. If this occurs, families are responsible for paying the collection costs as per the Parent/Caregiver Declaration in the Enrolment Contract. Any default debt may also be reported to a credit reporting agency.

A \$55.00 administration fee will be charged for all accounts paid after the due date unless prior arrangements have been confirmed in writing by the College.

Delivery of Fee Statements

Fee Statements are available on FACTS portal and each term via the parent portal SEQTA Engage.

Parents/Caregivers must ensure their email addresses are kept current via Consent2Go.
