Fittings
in store

Dobsons offer professional fittings in store for all new students. To make your complimentary 20 minute appointment, please contact the uniform store. We look forward to welcoming you.

Our eco
philosophy

Designed to be kind on earth, creating a fully circular low impact product, to be worn daily, built to last and if chosen to be disposed will break down into Earth.

Every component down to the care label is consciously sourced to minimise the impact on Earth's resources in its creation and in its end life.

*Sale price only applicable during Buy Early sale period.

Prices are anticipated to remain firm until February 1, next year – however they are subject to change without notice.

#1 IN ECO UNIFORMS

The future is brighter
with Dobsons EcoUniforms.

Sustainability is changing every day. As new materials, products and techniques become available, our products will continue to change and adapt.

Like most businesses on the path to a more sustainable future, there is still a lot to do and we look forward to working with innovators, designers and businesses across the world to bring the most sustainable materials and practices to you, our customers.

We’re excited to have you join us on this journey. Starting today, you’ll be wearing a new sports uniform made from 100% upcycled plastic bottles – a stylish, high-performance, and eco-friendly choice that supports a greener future.
